

**Announcement of the Selection Committee for the Position of
Director of of the School of Renewable Energy and Smart Grid Technology
Subject: Criteria, Procedures, Steps, Dates, Times, and Locations for the Nomination of
Candidates for the Position of Director of the School of Renewable Energy and Smart Grid
Technology, Naresuan University**

.....

Whereas the term of office of the incumbent Director of the School of Renewable Energy and Smart Grid Technology shall expire on 27 December 2026; and Whereas Clause 6 of the Naresuan University Regulations on the Criteria and Procedures for the Selection of Deans and College Directors, 2023 provides that, where the remaining term of office of a college director is not less than ninety (90) days, the selection process shall be initiated in accordance with the prescribed criteria and procedures;

Now, therefore, in order to facilitate the selection process for the appointment of the next Director of the School of Renewable Energy and Smart Grid Technology, by virtue of Clause 10(1) of the aforesaid Regulations, and in accordance with the resolution of the Selection Committee for the Director of the School of Renewable Energy and Smart Grid Technology at Meeting No. 1/2026, held on Tuesday, 25 August 2026, the Selection Committee hereby issues this Announcement prescribing the criteria, procedures, steps, dates, times, and locations for the nomination of candidates for the position of Director of the School of Renewable Energy and Smart Grid Technology Naresuan University, as follows:

1. Qualifications and Characteristics of Applicants

1.1 Qualifications under the Naresuan University Act

Pursuant to the Naresuan University Act, 1990 and the Naresuan University Act (No. 2), 1998, a person eligible for appointment as College Director shall possess the following qualifications:

1. Holds at least one degree or an equivalent qualification from a university or higher education institution recognized by the University Council; and
2. Possesses teaching experience at a university or higher education institution recognized by the University Council, or possesses not less than three (3) years of experience in academic or administrative management.

1.2 Qualifications under the Regulations on Criteria and Procedures for the Selection of Deans and College Directors, 2023

Clause 7

A person eligible for nomination as Dean or College Director shall possess the qualifications prescribed in Section 24 of the Naresuan University Act, 1990 and its amendments.

Clause 8

A person eligible for nomination as Dean or College Director shall, in addition to the qualifications under Clause 7, demonstrate competence in the following four (4) areas:

(1) Personality, Morality, and Ethics

- a) Is open-minded and receptive to opinions from all levels within the faculty or college and able to synthesize such opinions for effective administration;
- b) Is respected within the university community and demonstrates sound interpersonal relationships; and
- c) Possesses an exemplary personal and professional record, integrity, and ethical conduct.

(2) Vision and Administrative Experience

- a) Demonstrates leadership, adaptability to change, and the ability to mobilize personnel and resources toward the achievement of the University's administrative goals;
- b) Possesses a demonstrated record of successful administrative experience;
- c) Demonstrates strategic thinking, coordination skills, sound judgment, problem-solving ability, emotional stability, courage, firmness, fairness, and compassion;
- d) Possesses experience and capacity in establishing and maintaining external collaboration networks; and
- e) Is capable of supporting and implementing University policies.

(3) Academic Qualifications and Experience

- a) Possesses recognized academic standing at the national level and is able to represent the College with dignity;
- b) Possesses substantial academic achievements;
- c) Demonstrates academic leadership and initiative;
- d) Is capable of identifying academic directions and promoting academic development; and
- e) Demonstrates commitment to the principles and philosophy of higher education.

(4) General Qualifications

- a) Possesses the ability to generate income and resources for the College;
- b) Is able to devote full time to administrative duties and social activities that enhance the reputation of the College and the University; and
- c) Possesses the potential for leadership and contribution to society.

2. Methods for Establishing the List of Candidates

2.1 Recruitment

Recruitment shall be conducted in accordance with the Announcement entitled “Recruitment of Interested Applicants for the Position of Director of the School of Renewable Energy and Smart Grid Technology, Naresuan University”, dated 26 August 2026.

2.2 Nomination

Nomination shall be carried out in accordance with this Announcement prescribing the criteria, procedures, steps, dates, times, and locations for the nomination process.

3. Persons Eligible to Nominate Candidates

Persons eligible to nominate candidates shall include:

- Members of the University Council;
- Faculty members; and
- Staff affiliated with the School of Renewable Energy and Smart Grid Technology.

A person holding more than one of the above capacities shall be entitled to nominate only once.

Any person who believes that the list of eligible nominators does not comply with University regulations may submit a written objection to the Division of Personnel Administration no later than Wednesday, 2 September 2026, at 16:30 hours.

4. Advance Nomination

Advance nomination shall be permitted only in the following cases:

- Persons assigned to official duties outside the University;
- Persons assigned pursuant to University orders; or
- Persons engaged in academic or professional development activities outside the University.

Such persons may submit one (1) nomination in writing to the Chairperson of the Selection Committee between 2-4 September 2026, using the prescribed nomination form.

Submission Methods

1. In-person submission: Submit in person or through a representative to the Office of University Council Relations, Office of the President Building, 1st Floor;
2. Postal submission: Documents shall bear a postmark within the prescribed period. In the event of postal delay, documents shall arrive no later than 8 September 2026, at 16:30 hours; and

3. Electronic submission: Submit via email to sme_nu@nu.ac.th no later than 4 September 2026, at 16:30 hours (Thailand Standard Time).

All nomination documents shall be treated as confidential and forwarded to the Nomination Unit Subcommittee for further action.

5. Nomination Day

Thursday, 10 September 2026, is hereby designated as the nomination day, in accordance with the schedule below:

- 08:30–16:30: Eligible nominators submit nominations at Naresuan Meeting Room 306, Office of the President Building, 3rd Floor;
- 16:30: Nomination period closes; and
- After 16:30: The Nomination Unit Subcommittee shall announce the list of nominees without counting frequency or conducting preliminary polling and shall summarize the results for submission to the Selection Committee.

6. Nomination Procedures

6.1 Nominators shall appear in person at the prescribed date, time, and location to nominate a person deemed suitable to hold the position.

6.2 Each nominator shall nominate only one (1) person and shall clearly indicate the nominee's full name.

Validity Criteria:

- Missing surname → Invalid
- More than one name → Invalid
- Incorrect symbols → Invalid
- No nomination → Valid
- Minor spelling errors with clear identification → Valid

6.3 University Council members shall exercise their nomination rights in writing using the prescribed form, in compliance with procedures established by the Office of University Council Relations.

7. Criteria for Determining Suitable Candidates

The Nomination Committee shall consider and screen candidates in accordance with:

- Section 24 of the Naresuan University Act, 1990 and its amendments;
- Clause 7 and Clause 8 of the Regulations on the Criteria and Procedures for the Selection of Deans and College Directors, 2023

8. Screening Process

Short-listed candidates shall present their vision and policy directions for leading Naresuan University International College on:

Monday, 12 October 2026

Naresuan Meeting Room 310

Office of the President Building, 3rd Floor

9. Verification of Qualifications

Candidates from outside Naresuan University shall submit self-certification affirming compliance with the Naresuan University Act, 1990 and its amendments, and the Naresuan University Regulations on the Criteria and Procedures for the Selection of Deans and College Directors, 2023.

Issued on 26 August 2026

(Assistant Professor Dr. Kanungnit Papatwibul)
Naresuan University Council Distinguished Member
Chairperson of the Selection Committee for the Director
of the School of Renewable Energy and Smart Grid Technology
